

Come Back

Music by Christian Willisohn

Lyrics by Alexandra Mayer

Won't you tell me the reason
won't you make me know why
I am feeling so lost and alone and so cold
though the sun is shining bright?

have I spoken the wrong words?
have I done something wrong?
have I treated you harsh, not the way that I should
just to show that I care for you?

*girl I know, I haven't been the man
that you wanted me to be.
how could I not show you how I care?
now you're gone and I am all alone.*

maybe I didn't listen
to the words that you've said
maybe I should have noticed the hints and the signs
that you sure had given me.

have you tried to tell me
about your sorrows and pains?
and I just didn't care 'cause I'd lived in a self-made world
with no space for love.

*girl come back, I'll show you all respect
that you need and you deserve.
babe come back, I'll never let you go again
I love you more than I can ever say.*
