

## Hold On, I'm Waiting For You

Music by Christian Willisohn  
Lyrics by Alexandra Mayer

A little song can mean so much  
It can give you a gentle touch  
I'm not sure if you can hear  
but it's there to take your fear.

sometimes life can be so hard  
people meet and are torn apart.  
please don't make me feel so blue  
so hold on, I believe in you.

*there's no reason, no reason at all  
what made your guardian angel stumble and fall?  
let me hear your laughter again*

you're so far, so far away,  
in my heart you got a place to stay  
just be strong, just be you  
so hold on, I'm waiting for you.

*there's no reason, no reason at all,  
what made your guardian angel stumble and fall?  
let me hear your laughter again*

what has been, what will be  
there won't be no answer for me  
I'll be told by no one but you  
so hold on, I'm waiting for you
